

Unauthorized Disclosures Investigations Subcommittee Proposal

DCID 1/14 Change:

Security Violations:

"21. Individuals determined to have disclosed classified information to any person who does not hold a valid security clearance from a U. S. Government Department or Agency or is not otherwise officially authorized to receive such information, and who does not have an official need to know, may be considered ineligible for initial or continued SCI access. Determination will be based on an evaluation of all available information, including whether the disclosure was knowing, wilfull, negligent or inadvertent. A determination of ineligibility for individuals who currently hold SCI access, shall result in immediate debriefing and termination of access for cause."

Annex A Add:

"Individuals responsible for unauthorized disclosure of classified information may be denied initial or continued SCI access."
